Blessing of the Fleet & BBQ w/live music

The Vero Beach Yacht Club is partnering with the City of Vero Beach and the City Marina to help celebrate the city's 100th birthday by inviting boaters from Vero Beach and surrounding communities to participate in an expanded Blessing of the Fleet November 9 and 10, 2018 and October 11 and 12, 2019.

The annual Blessing is a long-held tradition that began centuries ago in Mediterranean fishing villages to help ensure a safe and bountiful boating season.

Clergy from various denominations will gather at 3 p.m. Nov.10 on the City Marina gas dock and bless participating boats as they pass by.

On the day of the Blessing, participants will meet at 2:45 p.m. between ICW markers 137 and 139. A Yacht Club member on site will coordinate the order of procession on Channel 72. The procession begins at 3 p.m. These times are subject to change as plans develop.

Custom dictates that passengers on the boats throw flowers into the water and toward the clergy as they pass by.

Following the ceremony, all participants are invited to the Yacht Club for a special \$15 BBQ with live music. The City Marina will make mooring balls available to visiting boats and the club's pontoon boat "Friendship," along with a vessel from the City Marina, will ferry people to the club and back.

To be part of this historic Blessing of the Fleet, visit the club's web site at www.verobeachyachtclub.com and complete the registration form no later than Fri. Oct. 26. Registration forms also can be picked up at the club, which is located at 3601 Rio Vista Blvd., next to the City Marina.

Ballet Vero Beach - Nutcracker on the Indian River

Ballet Vero Beach, only professional ballet company between Palm Beach and Orlando, presents the thrilling original production *Nutcracker on the Indian River* at the Vero Beach High School Performing Arts Center. The libretto and classical score retain all the whimsy and magic of the original ballet, but the action has been moved to the year Vero Beach was founded (1919). By

taking the ballet's heroine, Marie, on a holiday journey from New York to Florida, Fifth Avenue Mansions, Grand Central Station, and rail cars become settings. Instead of the traditional second act featuring candy characters and ethnic dances, Marie dreams of the shores of the Indian River Lagoon and is entertained by all manner of local flora and fauna, land crabs to manatees, and river otters to bougainvillea, *Nutcracker on the Indian River* takes all the magic of *The Nutcracker* and the holiday season and uses that magic to both entertain and inspire. Vero Beach Museum of Art – *Victorian Radicals: From the Pre-Raphaelites to the Arts & Crafts Movement*

In the second half of the 19th century, three generations of young and rebellious artists and designers revolutionizes the visual arts in Britain, engaging with and challenging the new industrial world around them. The Pre Raphaelites Brotherhood, William Morris and his associates, and the champions of the Arts and Crafts Movement offered a radical artistic and social vision that found inspiration in the pre-industrial past and came to decisively influence visual culture in Britain and beyond. Drawn from the outstanding collection of the city of Birmingham, United Kingdom, *Victorian Radicals* will bring together paintings, works on paper, and decorative arts – many never shown outside of the UK – to illuminate this dynamic period of British art. Jackie Robinson Birthday Baseball Game – 6:35pm

The social impact of Jackie Robinson crossing the “color line” on April 15, 1947 and his presence in Major League Baseball still resonates as one of the most significant triumphs in civil rights history. Dodgertown became baseball’s first fully-integrated Spring Training site in the South. It was on March 31, 1948, when Robinson made history here in his first appearance at Dodgertown, Vero Beach, Florida. He hit a home run in the first inning for the Dodgers. The annual Jackie Robinson Celebration Game, played in Holman Stadium at Historic Dodgertown, is

Minor League Baseball's and our community's tribute to the achievement of this great American icon. At the 2019 Celebration Game at Historic Dodgertown, some time will be allocated to recognize an important national moment and its historic place as part of Vero Beach's first century. Blessing of the Fleet & BBQ w/live music

The Vero Beach Yacht Club is partnering with the City of Vero Beach and the City Marina to help celebrate the city's 100th birthday by inviting boaters from Vero Beach and surrounding communities to participate in an expanded Blessing of the Fleet October 11 and 12, 2019.

The annual Blessing is a long-held tradition that began centuries ago in Mediterranean fishing villages to help ensure a safe and bountiful boating season. Clergy from various denominations will gather at 3pm Oct. 12 on the City Marina gas dock and bless participating boats as they pass by. On the day of the Blessing, participants will meet at 2:45pm between ICW markers 137 and 139. A Yacht Club member on site will coordinate the order of procession on Channel 72. The procession begins at 3pm. These times are subject to change as plans develop. Custom

dictates that passengers on the boats throw flowers into the water and toward the clergy as they pass by.

Following the ceremony, all participants are invited to the Yacht Club for a special \$15 BBQ with live music. The City Marina will make mooring balls available to visiting boats and the club's pontoon boat "Friendship," along with a vessel from the City Marina, will ferry people to the club and back.

To be part of this historic Blessing of the Fleet, visit the club's web site at www.verobeachyachtclub.com and **complete the registration form no later than Fri.
